Dear Parents and Guardians,

I hope this letter finds you well. I am writing to inform you of an important development concerning the school's current location.

Some of you may or may not be aware of the fact that La Academia Dolores Huerta currently leases the building at 400 W. Bell Ave, from Las Cruces Public Schools (LCPS). We have recently been notified by LCPS, the lessor/landlord of our school building, that we are required to vacate the property by December 31, 2024, the end of our Fall Semester. The lessor has decided not to renew our lease. We are continually in the process of seeking a new and permanent location for the school but as of right now have not been able to find an appropriate location.

We understand that this news may raise concerns, but please rest assured that the administration is working diligently to ensure a smooth transition. Thankfully a fellow charter school, Alma d'Arte Charter High School, has unused campus space available at their location which they have offered to sublease to LADH until a suitable permanent facility is secured.

Our commitment to providing a safe, stable, and high-quality learning environment for your children remains our top priority. The portion of the Alma d'Arte campus that will be used by LADH provides us with our own separate entrance and exit and secured area that only our staff, students and families will have access to and will not overlap with the students of Alma d'Arte. We are taking all necessary measures to minimize any disruption to the school year and ensure that academic schedules and activities continue as planned.

We will keep you informed about any developments regarding our relocation, including timelines and how we plan to manage the move with minimal impact on students. Once we are all settled into our new location we will be hosting an Open House tour of our new facilities. In the meantime, if you have any questions or concerns, please do not hesitate to contact the school administration.

Thank you for your understanding and continued support as we navigate this situation together.

Sincerely,
Sylvy Galvan de Lucero
Principal/Superintendent
